

College "Pjetër Budi", Prishtina, Kosovo

THE FOURTH INTERNATIONAL SCIENTIFIC CONFERENCE

**“Economic Development as a basis to generate
new jobs”**

Call for Papers

College "Pjetër Budi" in Prishtina, Kosovo, is marking tenth anniversary of academic activities in the fields of Tourism and Hospitality Management; Customs and Freight Forwarding, Insurance, Business Administration and Law.

The Scientific Conference Committee opened call for papers and invites scholars, researchers and practitioners dealing with theory and practice in the field of "Economic Development as a basis to generate new jobs" to submit them by the 20th of March 2015.

23 May, 2015 Prishtina, Kosovo

The International Conference on “Economic Development as a basis to generate new jobs” will be held in Kosovo capitol Prishtina, on 23 May 2015. It will provide opportunity for academic and other professionals to discuss different aspects of the economic development within the context of creating new jobs. We expect that the conference and papers presented there will trigger improvement and help policy and decision makers to understand better correlations between the economic development and the labor market and its needs. Hopefully this will improve the market needs and increase the number of jobs and the percentage of the employability.

These papers will be published later on in scientific research journal – “Logos”.

Please send all enquiries, as well as 250-300 word abstracts for papers to be presented at the Conference to pjeterbudi@gmail.com by the 20th of March 2015.

Main topic of the International Scientific Conference should be build upon following sub topics:

1. Customs and Freight Forwarding Management
2. Business Administration
3. Tourism and Hospitality Management
4. Management Information Systems
5. Insurance Enterprises Management
6. Banks and Financing
7. Human Resources Management
8. Foreign Direct Investment
9. LAW
10. Financial Control
11. International Marketing
12. Small and Medium Business Management
13. Donor policies in tackling poverty and unemployment
14. Regional cooperation
15. Development and Migration

Scholars, academics and practitioners can submit proposals other than those mentioned above.

Contribution mode:

Scientific Board will receive abstracts that are no longer than 300 words. Papers will be presented during the conference. Each presenter will have 20 minutes time for presentation.

Abstract must be submitted in English language. Official languages of the International Scientific Conference are: Albanian, Serbian and English.

Publication of abstracts and the projects presented in the International Scientific Conference:

Abstract will be published into ‘Conference Abstracts Journal’, which will be disseminated to participants during the Conference.

At the same time those interested to publish their entire paper in our scientific journal, “Logos”, beside abstracts they should submit the entire paper as well.

Both abstracts and full papers will be published in language they are submitted. It is preferable if they are submitted in both English and Albanian language).

Participant’s accommodation

College “Pjeter Budi” does not cover trip and accommodation expenses.

Participation fee for the conference is 50 Euro. Participants will have 20 minutes time slot to present the paper.

At the beginning of the conference they will receive the Journal of abstracts.

Those that want their full paper to be published in our scientific journal ‘Logos’ have to pay extra fee of 50 Euros.
