- Service for graduate students

Career Office within the College "Pjetër Budi" helps students in managing their career. In this office, students are informed to be as prepared as possible in order to be competitive in the job market and ideas. Also, this office provides students with information and suggestions for further education, for the organization of various educational and job fairs, etc., as well as advises them.

The office closely follows the professional development and career of each graduate, offering technical assistance and various courses, in cooperation with the partners of "Pjetër Budi" College.

The career office also helps to make students aware of their capacities. The office informs them about various job vacancies, assists them in completing the necessary documentation, and guides them towards the best solutions related to their profession.

Other activities are organized within the Career Office, such as: publishing the student magazine with their selected works, various visits to institutions, trainings, various researches - as part of the practical work during the studies, etc.

The Career Office also assists the College's academic staff in research and publication.
